Advance Your Medical Career Aspirations

Get ready for medical school. Deepen your knowledge and aim for direct matriculation into NSU's Doctor of Osteopathic Medicine (D.O.) program—or other health professional programs—with NSU's postbaccalaureate premedical program.

Interested in pursuing a career in medicine but need that extra push and experience to excel at it? The Graduate Certificate in Health Professions Preparation (CHPP) at NSU's KPCOM is just what you need.

Gain a strong background in basic sciences. Receive top-quality training. NSU's CHPP program will help you perform better academically once enrolled in medical school, which also means you'll be better prepared for board exams. Plus, you'll learn from the same faculty members who will teach you in medical school.

Enjoy the unique opportunity to share in the college experience alongside current NSU medical students. Participate in the same activities, such as student government, clubs, student affairs-sponsored activities, and more.

Dive in and emerge ready for medical school.

Get the NSU edge.
